 6:30pm socialize with food and drink
 7pm Meeting
 Vista Park Community Room
 475 Hyde Park Dr

Accepting nonperishable food donations.

President’s Corner

I hope everyone had an amazing Halloween! And we’re only a few weeks away from kicking off the holiday season.

With that, I wanted to remind everyone that our last association meeting of the year is next Wednesday, November 19th. We’ll be at 7 PM at the Vista Park Community Center. We are still working on securing a special guest, but there is a lot of association business we need to address, including approving bylaw amendments and electing the Board for the 2026 calendar year. We are exceptionally holding it a week earlier as the following week will be Thanksgiving week. Please make every effort to attend this meeting.

We have an exciting year ahead with lots of events planned throughout the year, and we will share that in our meeting.

Thank you all for your continued commitment to the VEP and helping us have an impact in our community.

VEP Member Meeting Agenda

DONATIONS WELCOME!
